January - March 2023

TAMIRANASHE

Tamiranashe Trust is a registered organisation working in Norton Zimbabwe with the aim of giving access to education to those left behind in Norton. Thousands of children in Norton had no access to education due to poverty and others are orphans and some are child headed.

Tamiranashe is addressing the problem of lack of access and quality education. The organisation is offering alternative education to the students.

The organisation was honoured on the 13 and 14 February 2023 when founders from India visited the schools. Sabriye and Paul the founders of Kanthari got an opportunity to see what Tamiranashe organisation is doing.

Nancy Mbaura

Nancy Mbaura founder of Tamiranashe got 12 months training under Kanthari international school of social changers. Kanthari catalyst put Nancy Mbaura in the washing machine and after the washing machine Nancy came out doing great work in order to change the lives of people in Zimbabwe

TAMIRANASHE FOR THE FIRST TIME HOSTED INTERNATIONAL VISITORS PAUL AND SABRIYRE.

Sabriyre gave a touching speech to children and parents who came to share their challenges with the founders of Kanthari.

Vistors got entertainment of traditional dance and drama from students.

Educative drama on the effects of drugs and songs made the day so gre

Sabriyre donated a white cane to Pastor Green and gave 20 minutes lecture on how to use the white cane and IT Director Mr Nyatsambo watching the session

Sabriye and Paul come to Zimbabwe to visit kantharis as well as other organisations to learn about the work that is being done, the impact that is being made on thr ground, the challenges that are being faced, and we want to learn about best practice, so we can use these learnings to further develop the kanthari Curriculum. They are also looking for change makers who could benefit from the kanthari scholarship-based course.

During the visit the founders of Kanthari Sabriyre and Paul visited Tamiranashe on the 13 and 14 February 2023. It was a dream come true at Tamiranashe primary and secondary schools.

The visitors from India was welcomed by Tamiranashe drum majorattes who excoatedthe visitors to the high table. The teachers and the boadmembers were happy to welcome the visitors.

Kanthari founders interacted with grassroots NGOs. They invited anyone to apply for funded scholarship for social change.

The visitors opened doors for the donation of a laptop and donation from Cornelia's brother.

The founders got opportunity to talk on Zimbabwe Television on Good morning Zimbabwe.

On the 14 February Valentine's day. Wadzanai Mungwari Nancy 's daughter baked Valentine cake for Paul and Sabriyre. The cake was shared on the dinner it was an amazing time to share happiness together as a family.
